Summer 1991

I hope everyone is having a nice summer. There are several events planned for our class, as well as local alumni clubs this summer. Try and attend some of the events, they should be fun. Also Val and John have offered to DJ a Copley party in September. It's air conditioned now - no more saunas while you dance. Let us know if you're interested (Call Mary Prahinski (800) 424-2795, Steve Paluszek (212) 677-1743 or Elisa Geier (301) 320-3456).

Again, I keep hearing about fellow classmates getting together - where are the pictures? You guys can't be that ashamed of the way you've "matured" can you?
