Consider Yourself One Of Us!

Consider yourself at home
Consider yourself one of the family
We've taken to you so strong
It's clear, we're going to get along.

Consider yourself well in
Consider yourself part of the furniture
There isn't a lot to spare
who cares, whatever we got we share . . .

Consider yourself our mate
We don't want to have no fuss
After some consideration we can state

Consider Yourself One Of Us!!!

Dear New Student,

Hello! We of the New Student Orientation Staff wish to extend a warm welcome to you and hope that you had a relatively uncomplicated arrival. The New Student Orientation Staff is composed of six students: Mark Brown (C '76), Gina Georgandis (SFS '78), Ann Koegel (N '78), Nancy Pinto (SLL '76), Russel Rosen (C '77), and Jennifer Starr (C '77). Bill Schuerman, Associate Dean of Students and Mary Parish, Co-ordinator of the University Center, are the two University Administrators who help to co-ordinate our efforts.

The staff has been preparing for your arrival since early January and we are hopeful that the mailings you received this summer and the Orientation Program we have prepared will in the weeks to come make your stay at Georgetown a more rewarding experience.

The introduction to your Register is intended to give you just a glimpse of the vast amount of opportunities available here at GU and in the Nation's capitol. Freshmen in the past have found this Register invaluable in meeting and identifying the massive sea of faces.

We are confident that in no time you will all "consider yourself one of us!"

Have a great year—
New Student Orientation

Special thanks to: Mitch Davis, Bob Devaney, *The Georgetown Voice*, *The Hoya*, Office of Public Relations, *Ye Doomsday Booke*, and Mary Parish.

Helpful Hints for Freshmen

Get off the hilltop—discover D.C. and especially Georgetown.

HOYA means immovable rock in Latin.

The student newspaper is free.

Despite the rumor, all nursing students are not looking for a husband.

Students working for students—patronize STUDENTS OF GEORGETOWN Inc.

Separate undies from jeans in the laundry.

All vending and “fat” machines eat quarters.

Express yourself—vote in all campus elections.

In D.C., don't count on rain—expect it!

Don't show your ignorance by not asking for what you can't find.

Keep snacks in your room—they make up for dorm meals.

Cyclists—Georgetown still has cobblestones.

There is no grade inflation at GU.

Bring two umbrellas—one to use and one to lose.

Carry your ID at all times (you may forget who you are).

Don't be discouraged with your first English paper grade.

CRUMPETS is ideal for late night snacks.

Take advantage of all free activities (you're usually paying for them anyway!)

Be considerate—not everyone parties all of the time.

Seek out upperclassmen for advice—they don't bite.

Professors are human—see them at first sign of trouble.

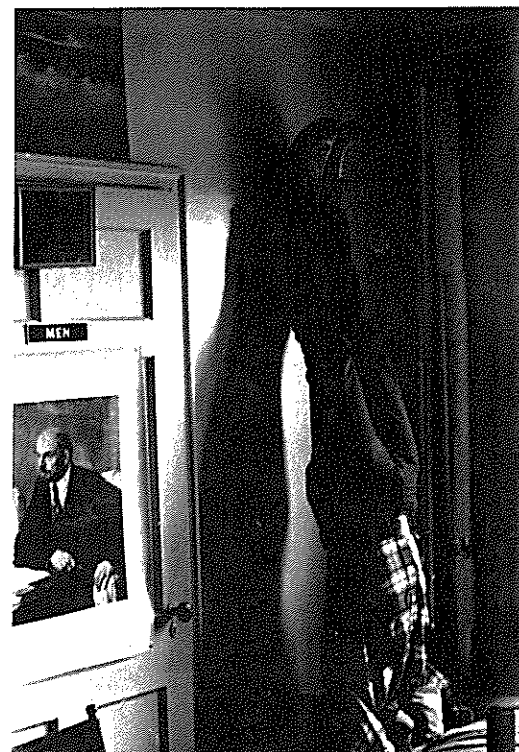

If your roomie disappears, remember there are 24 hours in a day.

Overdrying your underwear turns them yellow.

Register, license, and lock your bike.

Get involved!

Consider Yourself Part of The Family . . .

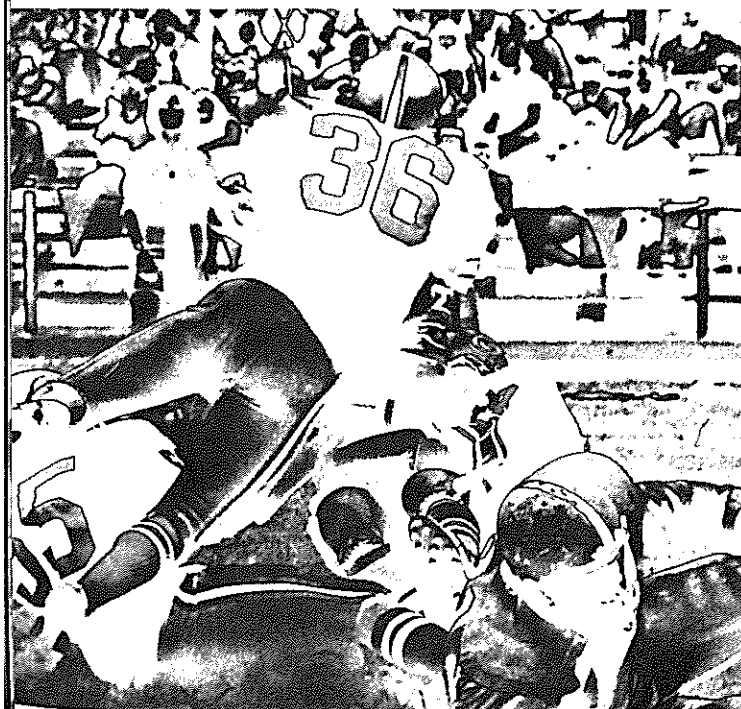

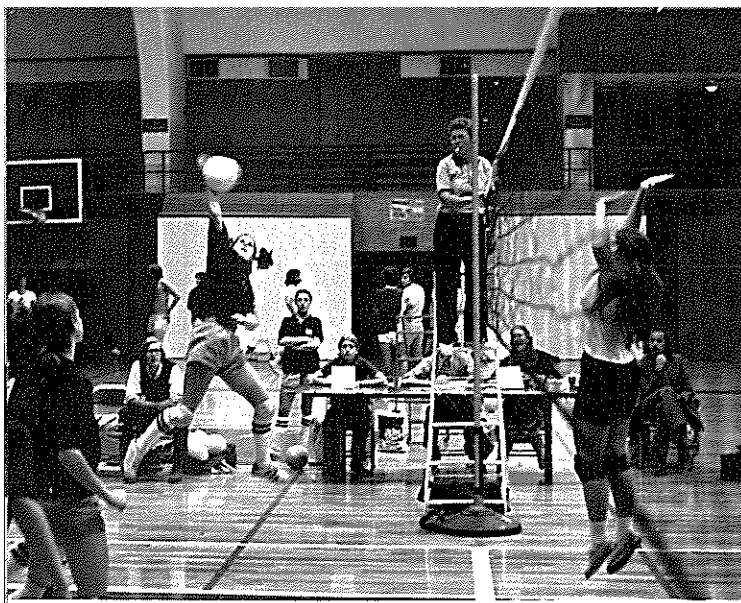

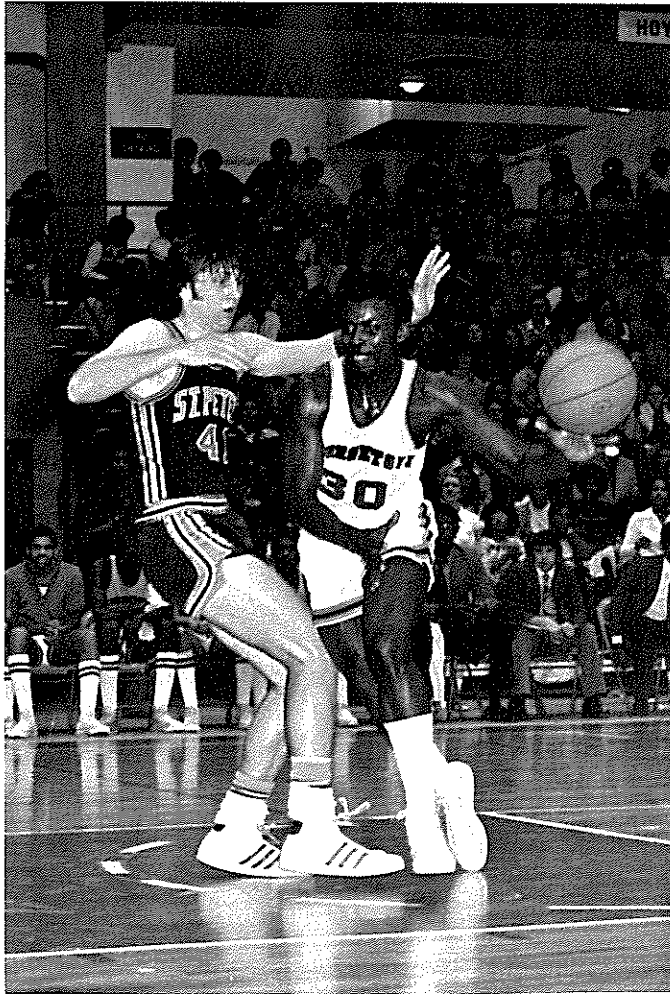

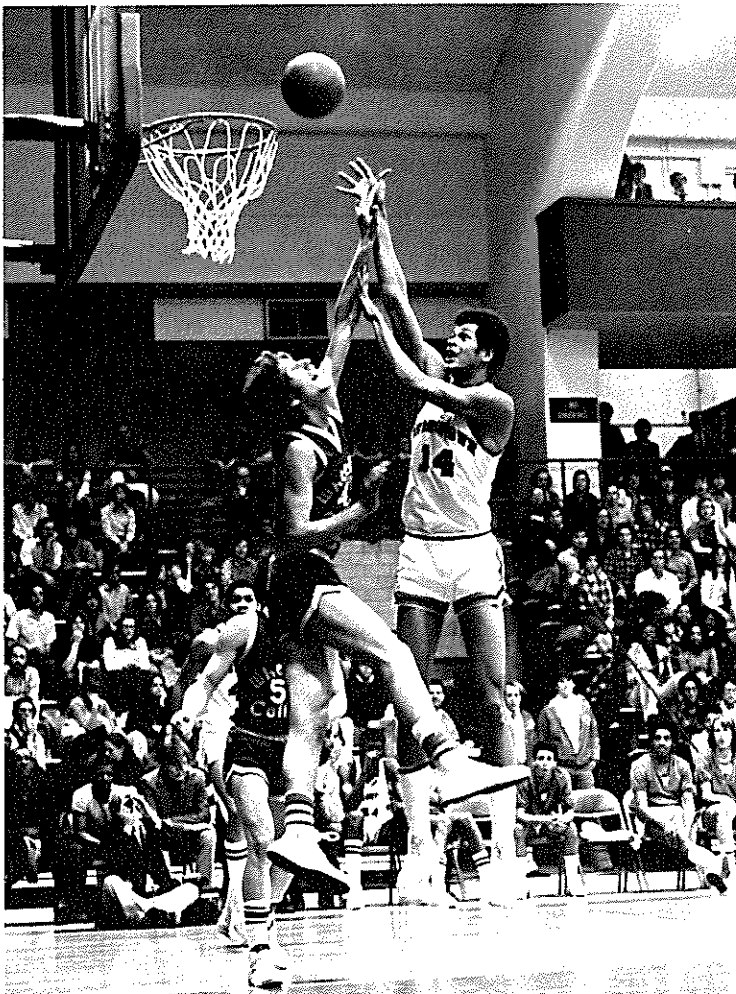

Sports at the Hilltop

The HOYAS compete intercollegiately in numerous sports ranging from Basketball to Crew. This diversity in men's and women's sports generates excitement and enthusiasm in GU's athletic program. Mention must be made of GU's Varsity Basketball team led by coach John Thompson. The team, after completing regular season play with a 17-9 record, went on to the Eastern Collegiate Athletic Conference—Southern Division finals. Victory at the Conference over G.W. and West Virginia University gained them an at large berth in the NCAA Mid East regionals.

Besides the intercollegiate sports GU offers a variety of intramural sports which provide all students with the opportunity for involvement in athletic programs.

Consider Yourself At Home

Consider Yourself . . .

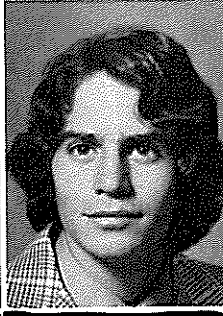

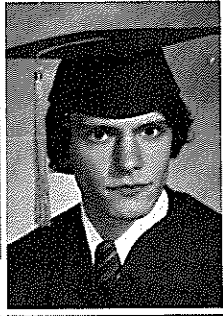

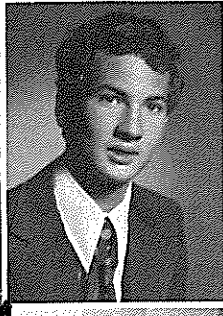

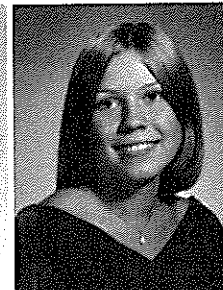

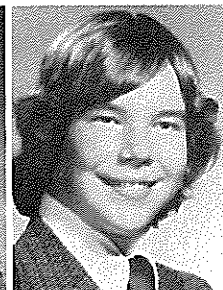

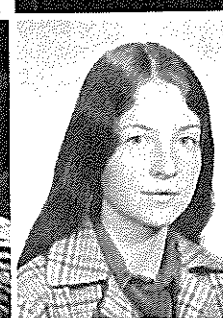

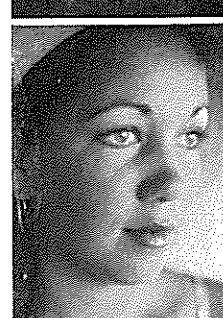

One of Us!

FROM

We need more dreamers, more idealists, more do-gooders, for ours is a generation under pressure, engaged in a struggle we did not start, in a world we did not make . . . If the world cannot be saved by the spirit of its youth, it cannot hope to save the spirit of the ages. So those of us who are young people must serve our society in order to preserve what is as old as man—his quest for freedom and peace. And we do not despair. That ancient quest today is the ocean crest of tomorrow. No hand of iron can stay it. No wall of stone can confine it. A single breaker may recede, but the tide is coming in.
